To the Board of Directors Tanzanian Children's Fund, Inc. Cambridge, Massachusetts

Independent Auditor's Report

I have audited the accompanying financial statements of the Tanzanian Children's Fund, Inc. (a non-profit organization) which comprise the statement of financial position as of December 31, 2019 and 2018, and the related statement of Revenues, Expenses and changes in net assets, cash flows and functional expenses for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion of these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Tanzanian Children's Fund, Inc. as of December 31, 2019, and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 13, Subsequent Event, effective March 13, 2020, the Organization canceled some of its fundraising initiatives in response to COVID-19. At this point, the Organization cannot reasonably estimate the duration and severity of this pandemic, which could have a material adverse impact on the Organization's financial statements in the year ending December 31, 2019. Our opinion is not modified with respect to this matter.

1. Organization and Purposes

Tanzanian Children's Fund, Inc. (TCF) is a not-for-profit organization organized in March 2003, under the laws of the State of Massachusetts for the purpose of establishing aid to the orphaned and marginalized children of Tanzania. The Tanzanian Children's Fund, Inc. will provide support for the Rift Valley Children's Village, an orphanage in the Karatu district of Tanzania and, other related community based programs that improve the lives of children and families in Tanzania.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the organization have been prepared on the accrual basis of accounting whereby revenues are recognized in the appropriate net asset class as earned and expenses recognized as incurred.

Basis of Presentation

The accompanying financial statements include the assets, liabilities and net assets of Tanzanian Children's Fund, Inc. The financial statement presentation follows the provisions of the Not-for-profit Entities. As required by the FASB Accounting Standards Codification™, net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor-(or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

2. Summary of Significant Accounting Policies (continued)

Cash and Cash Equivalents

For financial statement purposes, management considers all highly liquid investments purchased with a maturity of three months or less to be cash equivalents. Cash equivalents are carried at cost, which approximates fair value.

Property and Equipment

Equipment is stated at cost. The organization capitalizes equipment with the useful life greater than one year. Depreciation is computed by the straight-line method over an estimated useful life of five years.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statements of financial position. Unrealized gains and losses are included in the change in net assets. Realized gains and losses on investments of Board designated endowment are recorded as changes in unrestricted net assets.

Tax Status

Tanzanian Children's Fund, Inc. qualifies as an exempt organization under the provisions of Internal Revenue Code, Section 501(c)(3) and therefore, is not subject to corporate income taxes. It has also been classified as an organization that is not considered to be a private foundation under 509(a)(2) of the Code.

The Organization has evaluated the tax positions taken on returns for open years and those expected to be taken on returns for the year ended December 31, 2019. It is management's belief that such tax positions are more likely that not to be sustained upon examination by tax authorities. Accordingly, no liability for uncertain tax positions has been reflected in these financial statements. Returns for tax years beginning with those filed for the year ended December 31, 2016 are open to examination.

2. Summary of Significant Accounting Policies (continued)

Revenues and Expenses

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets.

Gains and losses on investments and other assets or liabilities are reported as increases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Expirations of temporary restrictions on net assets by fulfillment of the donor-stipulated purpose of by passage of the stipulated time period are reported as reclassifications between applicable classes of net assets.

In-Kind Goods and Services:

As required by the FASB Accounting Standards Codification™, the Organization maintains a policy whereby contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation, are recorded at their fair value in the period received.

Although the Organization receives a significant amount of donated services from unpaid volunteers, these donations did not meet the recognition criteria and have not been recorded in the accompanying financial statements.

Functional Expenses:

The Organization allocates its expenses on a functional basis among its various programs and support services. Expenses that can be identified with a specific program and support service are allocated directly according to their natural expenditure classification. Other expenses that are common to several functions are allocated by various statistical bases. Supporting services are those related to operating and managing the Fund and its programs on a day-to-day basis. Supporting services have been subclassified below.

Administrative- includes all activities related to the Organization's internal management and accounting for program services.

Fund Raising - includes all activities related to maintain contributor information, writing grant proposals, stewardship events and activities, distribution of materials and other similar projects related to the procurement of funds for the Organization's programs.

2. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

3. Liquidity and Availability

Financial assets available for general expenditures, that is, without donor restrictions limiting their use, within one year of balance sheet date, comprise the following at December 31, 2019 and 2018:

	2019	2018
Cash and Cash Equivalents	\$ 1,184,673	\$ 1,307,723
Short Term Investments	1,712,471	1,440,329
	\$ 2,897,144	\$ 2,748,052

As part of the Organization' liquidity management, it has a policy to structure its financial assets to be available as its general expenditures and liabilities. In addition, the Organization invests cash in excess of annually requirements in a Long-Term Investment Fund. Although the Organization does not intend to spend from its Long-Term Investments Fund other than amounts appropriated for general expenditure as part of its annual budget approval and appropriation process, amounts from its Long-Term Fund could be made available if necessary.

4. Concentrations of Credit Risk

The organization maintains its bank accounts in a major financial institution. The balance is insured by the Federal Deposit Insurance Corporation up to \$250,000. At times, the balances in the insured accounts may exceed federal limits. The Organization has not experienced any losses and does not believe it is exposed to any significant credit risks in such accounts.

Additionally, the Organization invests in professionally managed money market and mutual funds that contains various types of marketable securities. The Organization's investments are exposed to various risks, such as fluctuations in market value, and credit risk. Thus, it is at least reasonably possible that changes in the near term could materially affect investment balances.

5. Investments

Investments are valued at fair value and consisted of the following at December 31, 2019 and 2018:

	<u>2019</u>	<u>2018</u>
Mutual Funds	\$ 4,793,871	\$ 3,336,888
Cash Money Market	87,346	95,983
Certificates of Deposit	<u> </u>	92,577
	\$ 4,881,217	\$ 3,525,448

TCF's investments returns for fiscal years 2019 and 2018 included investments earnings (dividends and interest) of \$97,014 and \$57,338, respectively, and realized and unrealized gains (losses) of \$755,494 and \$322,161, respectively.

6. Assets measured at fair value on a recurring basis

In accordance with the Fair Value Measurement and Disclosure topic of the FASB Accounting Standards Codification, the organization is required to disclose, for its assets and liabilities measured at fair value on a recurring basis, the sources and types of information, known as inputs, used to determine those fair value measurements.

Level 1: Level 1 inputs are quoted prices in active markets for identical assets and liabilities that an entity has the ability to access at a measurement date. Level 2: Level 2 inputs are inputs other than quoted prices that are observable for the specific asset or liability, either directly or indirectly. Level 3: Level 3 inputs are unobservable inputs for the assets or liabilities in which little or no market activity is available for the asset or liability at the measurement date. The reported values of assets measured at fair value or a recurring basis are categorized as follows at December 31, 2019:

2010.	<u>_Fa</u>	ir value measure Quoted prices	ements at rep	ort date using:

mutual funds Totals	\$ 3,336,888 4,833,171	3,336,888 4,833,171		

7. Lease Commitment

On May 31, 2019, the Organization entered into a one-year lease agreement with an unrelated non-for-profit organization. The lease expires on June 30, 2021. Under the new lease, the current annual basic rent is \$21,600, payable in monthly installments of \$1,800. For the years ended December 31, 2019 and 2018, rent expense was \$11,500 and \$6,000, respectively, and is reported as rent expense in the accompanying statement of functional expenses.

8. Board Designated Funds

A portion of unrestricted net assets has been designated by the Board to the following funds:

- Board designated Rainy Day Operating and/or Capital Costs: To help with operating and/or capital costs of TCF and the Rift Valley Children's Village, and to provide a back-up source of funds in the case of unexpected financial need. The balance of this fund was \$1,712,471 and \$1,440,329 at December 31, 2019 and 2018, respectively.
- Board designated Long Term Investment Fund: To help with operating and/or capital costs of the Tanzanian Children's Fund and the Rift Valley Children's Village, including costs of Oldeani Secondary School and other secondary education costs. The balance of this fund was \$3,053,498 and \$1,972,306 at December 31, 2019 and 2018, respectively.

9. Board Designated Funds (continued)

 The Lorinda de Roulet Scholarship Fund for Girls: This fund was established by the Board to fund post-secondary scholarships. The balance of this fund was \$95,251 and \$98,666, respectively.

These three funds are included in an investment account at December 31, 2019, which includes the following:

	<u>2019</u>	<u>2018</u>
Cash and Cash Equivalents	\$ 86,888	\$ 96,238

13. Subsequent events

Management is required to consider events subsequent to the financial statement date for potential adjustment to or disclosure in the financial statements. Therefore, Management has evaluated subsequent events through August 15, 2020, the date which the financial statements were available for issue and noted the following events which met the criteria:

On March 11, 2020, the COVID-19 virus has been declared a global pandemic as it continues to spread in the United States of America. In addition, as of March 13, 2020, the Massachusetts State Governor ordered the closure of the physical location of every "non-life sustaining business for what may be an extended period of time. The Organization had closed its physical location, all employees have been working remotely as they can and canceled all in-person fundraising events and activities in the United States for year 2020. Future potential impacts may include continued disruptions or restrictions on the Organization's employees' ability to work and impairment of their ability to obtain contributions and develop fundraising activities. The future effects of these issues are unknown.

Subsequent to year end, the Organization applied for and was approved a \$50,271 loan under the Paycheck Protection Program created as part of the relief efforts related to COVID-19 and administered by the Small Business Administration. The loan accrues interest at 1%, but payments are not required to begin for six months after the funding of the loan. The Organization is eligible for loan forgiveness of up to 100% of the loan, upon meeting certain requirements. The loan is uncollateralized and is fully guarantee by the Federal Government.
